

JOG-A-THON IS HERE!

Friday, October 18 | During school hours based on class

Each fall, Cobblestone's jog-a-thon teaches self-confidence and a healthy, active lifestyle. Students build comradery with classmates and accomplish goals.

Jog-a-thon is also our biggest FUNdraiser of the year—creating meaningful opportunities that enrich the learning environment for your student—things like the classroom art docent program, family nights, assemblies, hands-on science, technology, engineering and math, and teacher appreciation week. Your student also becomes eligible for fun prizes!

Look for more details about your student's online donation page, offline donations, Friday "Fri-Yays" and prizes after our October 1 kickoff pep rally. Then, please encourage your student to ask friends and family to support them by making a donation (a one-time gift please, no pledges per-lap). **All online donations and forms must be returned by Tuesday, October 15 for prizes.**

PRIZE ALERT: The Color Run

By raising \$100 or more, your student will gain entry to the happiest run of the day—the color run! This special event takes place at the end of the jog-a-thon school day and is a coveted opportunity among students.

We invite you to cheer on your student during this - and the school day jogs—from our parent cheer zone on the field. Signs and pom-poms encouraged!

QUESTIONS? Email Cobblestone's PTC President, Shannon Aguilar, at CobblestonePresident@gmail.com.
