

CELEBRATION STORIES

What are they?

Our students have so many successes and joyful events in their lives: birthdays, anniversaries of noteworthy events, our team winning its first game of the season, music recitals, getting our first “A” on a report card, achieving a milestone in church or scouts, becoming citizen of the month, etc. Sometimes we want to celebrate someone else: a special teacher or coach, the homecoming from service or graduation of a family member, remembering a favorite pet, and so on.

How do I participate?

Think of something you have to celebrate! Choose a hard cover book from the bookstore or pick one from the recommended books listed below. Bring it to one of your Librarians and be sure to let her know what class your child is in, your child’s full name, and the person or event you are celebrating. Your celebration story will be wrapped and presented to your student as quickly as possible, usually within a week.

Celebration Stories
