

No to these and any others like them!!!!!!

Dear Parents and Guardians

As you begin to think about doing some “Back to School” shopping, please take a few minutes to review our school and district dress code policy. When you purchase any school clothing, please make sure all items are school appropriate. Remember that “dressing for academic success” is an essential “School to Career” skill.

Here are some tips:

- NO revealing, see through, razor back, spaghetti strap, tank top, tube tops/dresses of any kind
- NO midriffs showing, no cut outs ---EVER
- NO short shorts: when in a normal standing position, relax the shoulders, drop the arms to full extension,—shorts hemline should reach or exceed the end of the finger tips (this will be somewhere around 5” inseam)
- NO tank tops on boys
- Boy’s pants MUST NOT sag

Please see the full document on the web site and in our school handbook for more guidelines and know that the attached photos and guidelines on the full document are not all inclusive.

In the past, we have been relaxed on the “No Tank Top” line in our district policy understanding that our students do have a 20 minute lunch recess and that it can be hot. As fashion has changed over the last few years, it has become increasingly difficult and very time consuming to evaluate the appropriateness of the tank tops, and now racer backs, spaghetti straps etc. that female students wear to school. We have consulted with our middle and high schools and are aligning our policies to theirs.

Our most important reality is that **we need help from our families**. Dress code will be a non-issue if our students leave home dressed appropriately for school

We will provide students with an alternative here at school when available... old tee shirts, shorts, etc. and or will call home for additional clothing if we don’t have any on hand. Feel free to send your old, but clean and in good repair, dress code appropriate castoffs to the office. We will loan them as needed to inappropriately dressed students. Most importantly, please purchase appropriate clothing for school.

THANK YOU FOR YOUR HELP--- SINCERELY, the Cobblestone Staff
