Want to know what book(s) your student has checked out?

We have set up a check from home featureso that students and parents can see what books are checked out from the Cobblestone Library. Please follow these instructions to access the information. If you have any questions, please contact our Library Aide, Mrs. Hubley.

From the Cobblestone Homepage or the Library Homepage:

1. Select Library Catalog
2. If a dialog box appears that asks if it is a trusted site, select yes.
3. Select Cobblestone

On the Library Catalog page:
