

September 24, 2018

## ***Dear Cobblestone Families,***

**It's that time of year again!** Preparations for the Annual Jog-A-Thon are in full swing. The Jog-A-Thon will be held during school hours, on **Friday, October 26, 2018**. Proceeds from the event will go to enrichment opportunities for students through after school clubs, the school-wide Mystery Science program, more science and engineering-based assemblies, as well as maintaining technology in the classroom.

In your student's Tuesday folder, you will find a pledge envelope and prize form. For the next month, students can ask family and friends for pledges to support them on the Jog-A-Thon day. Pledges are a one-time donation amount, not a per-lap amount.

Students will earn prizes for different levels of pledges raised. These prizes are cumulative. ***To be eligible for the prize program, ALL PLEDGES MUST BE TURNED IN BY 2:30pm ON WEDNESDAY, OCTOBER 24.***

**We are in need of more volunteers to help set up and run this fun event.** If you are interested, and are an approved volunteer (finger printed and TB tested), please email your contact info to [cobblestonepresident@gmail.com](mailto:cobblestonepresident@gmail.com).

***Thank you for your support!***
