Dear Parents/Guardians:

As we begin working on next year's class schedules and staffing, it is important to determine which students plan on returning in August. Our ability to accurately project our enrollment helps us plan for the coming year and avoid last minute changes.

Although we understand there may be unanticipated events that occur which could lead to unexpected moves, we would appreciate your response at this point. **Please return this form to the classroom teacher or the office by Friday, February 17, 2017.** Please complete a **separate** form for each child who attends Cobblestone.

If your child was redirected to Cobblestone from their home school this year and you wish to remain at Cobblestone next year, **you will need to complete an intra-district transfer request.** These forms are available in the school office. Intra-district transfers will be approved in August if space is available.

If your child is currently on an intra-district transfer, and you want them to continue at Cobblestone next year, please indicate below that you would like him/her to return, but you **DO NOT** need to complete a new intra-district application for the 2017-18 school year if your child has been on an intra-district transfer for an **entire** school year.

Sincerely,

Kathy Goddard  
Principal

- My child currently lives within Cobblestone's attendance boundaries and will attend next year.
- I will be renewing my child's intra-district request and he/she would like to attend Cobblestone next year. (No form needed if your child has been on an intra more than a year. Form **is** needed for students on an intra **less** than a year and is approved providing space is available).
- My child was redirected to Cobblestone this year and he/she would like to continue next year if space is available. (Intra paperwork should be submitted ASAP.)
- My child will not be attending Cobblestone for the 2017-2018 school year.
