

September 25, 2017

Dear Cobblestone Families,

It's that time of year again! Preparations for the Annual Jog-A-Thon are in full swing. The Jog-A-Thon will be held during school hours, on **Friday, October 20, 2017**. Proceeds from the event will go towards STEM (Science, Technology, Engineering and Math) enrichment opportunities for students through after school clubs, the school-wide Mystery Science program, and more science and engineering based assemblies.

In your child's Tuesday folder, you will find a pledge envelope and prize form. For the next 3 weeks, kids can ask family and friends for pledges to support them on the Jog-A-Thon day. Pledges are a one-time donation amount, not a per lap amount.

This year we are introducing a new prize program for the students. In-lieu of the usual goodie bags, students can earn prizes for different levels of pledges raised. These prizes are cumulative. To be eligible for the prize program, all pledges must be turned in by **2:30pm on Wednesday, October 18**.

We are in need of more volunteers to help set-up for, and run the event. If you are interested, and are an approved volunteer (finger printed and TB tested), please email your contact info to cobblestonepresident@gmail.com.

Thank you for your support!
