# PTC MEMBERSHIP

## What does it mean to be a member of the PTC?

Being a member of the PTC gives you the opportunity to be involved with activities and decisions that affect our school. The PTC holds monthly meetings where you can express your ideas or concerns, get information on what is happening with our school, and help decide where to allocate funds. ***When you are a member of the PTC, your level of involvement is completely up to you!*** You may want to join or head a committee for one of our fun community events, or take home projects like fliers and posters. Even if you don't have the time to volunteer, please consider becoming a member.

## Is PTC just about fundraising?

While fundraising is a large part of what we do, we also work to bring our community together and make our school a better place. We have fun events planned, such as the Welcome Back to School Picnic, Paint & Pizza Night, "This One's For the Girls," "Let's Hear it for the Boys," and the Annual Adult Night Out that are not so much a way to raise money, but to gather our parents, kids and staff, get to know each other, share information, and have fun! We also partner with school staff to aid with school and classroom activities and technology upgrades, as well as our Art and Science Docent programs.

## Why should I join PTC?

PTC would not exist without you! Attending meetings keeps you informed and gives you a voice. It is also a great way to meet other parents and teachers, AND get involved. ***We ALWAYS need your help.*** Everything the PTC does relies on the work of volunteers. Whether you lead a science or art lesson, head a committee, sell tickets, make posters, or clean up after an event, your help is essential to making sure our activities run smoothly.

We continue to work to make this an amazing school year at Cobblestone. We strive to create an atmosphere where staff and students can do their best work. There is always more that can be done and WE NEED YOU!

***Together, we can accomplish great things!***
